CCoA Volunteer Internship Application

Thank you for your interest in the California Commission on Aging Internship Program!

Established in 1973, CCoA serves as the state's principal advocate for older individuals, advising on legislation and regulations made by state and federal departments and agencies relating to programs and services that affect older individuals in order to ensure a quality of life for older Californians so they may live with dignity in their chosen environment. The Commission is comprised of 25 volunteer commissioners appointed by the Governor, Speaker of the Assembly, and Senate Rules Committee.

Our Internship Program offers unpaid, volunteer opportunities for college students, graduate students, recent graduates, and professionals. As a Research and Data Analyst Intern, you will work under the guidance of a Commissioner and CCoA staff in a team environment to gather and present data on California's aging population. This hybrid position requires 200 hours of work between August 22 and December 5, 2024, combining on-site work at our Sacramento office and remote components.
